INTEROFFICE CORRESPONDENCE

Date: Friday, November 08, 2013
To: Elizabeth Hope, Commission Office Accounting
From: Clarke Lee, Facilities Coordinator
Subject: Generator Maintenance Contract Award

Mrs. Hope:

We received five bids for generator services this year and the results can be seen on the attached page. The lowest "base and evaluated" bid was Cowart Electric & Industrial Contractors, Inc., 4309 North Valdosta Road, Valdosta GA 31602.

This contractor is our current contract holder and has given us good service for the past three years. We recommend awarding the contract to them again.

Thank you for your kind assistance.

Clarke Lee, November 08, 2013
