**Administrative Comments:** In order to move some offices around during the upcoming demolition & construction we need some file storage space. We discussed reroofing the 378 State Street facility, gutting it out and putting shelving units in it to resolve a portion of this need.

~~We received 2 bids for the 378 State Street Roofing Bid as follow:~~

BRC Inc., (Brantley Roofing Company) of Waycross \$15,250.00

Bi-State Roofing, Inc. of Lakeland GA \$12,180.00

Bi-State Roofing, Inc. did the airport roof replacement project with good results. We would recommend that this contract be awarded the lowest and best bid we received, Bi-State Roofing, Inc. of Lakeland GA \$12,180.00.
