I. APPLICATION DATE: _____ Taken by: Becky Diane Martha James

I, _____ request Ware County **OR** Owner
 to construct a driveway at _____ in Ware County.
 (address)

The driveway will be constructed on the left right side of road, which will be flagged or staked at the site by the applicant. * Site plan **MUST** be submitted before application can be processed.

Curb Cuts:

- All driveway culverts, regardless of who installs, will be required to pay **\$50.00** Administrative Fee **prior** to permit approval.
- Applicants will be allowed to have culvert installed by a contractor, providing the administration fee has been paid and is inspected by Public Works personnel.
- Standard installed driveway culverts will be asphalt coated corrugated metal 15 or 18 inch and 24 feet in length.
- In no case shall a curb cut be less than twenty (20) feet **NOR** more than thirty (30) feet in length. **No two (2) curb cuts shall be closer than twenty (20) feet from each other except in residential zoning districts.**
- At street intersections, no curb cut shall be located closer than:
 - 1) Twenty (20) feet from the intersecting point of the two street rights-of-way or property lines involved (or such lines extended in case of a rounded corner) or,
 - 2) Twenty-five (25) feet from the intersection of the two curb lines involved (or such lines extended in case of a rounded corner) which bound said lot.

* **Effective August 1, 2009, the following lengths and fees apply:**

Requested Pipe Length: _____ **24' Length = \$400.00 + \$ 50.00 Administrative Fee = \$ 450.00**
 _____ **30' Length** (Price to be determined by Ware County Public Works).
 _____ Any other size will be priced according to prevailing material costs at time of installation.

By signing this application, I agree to construct or have constructed this driveway per Ware County Regulations.
